

Ranch Riders

August 2010

Can you believe it is August already. Time really flies when you are having fun. There has been a lot of activity at the ranch lately. On July 19th the Air Evac chopper flew in and landed on the fogey pad for the ribbon cutting ceremony.

The Frank Shore Low Water Bridge was put in at the crossing going up to Lonnie's Lookout. There were close to 50 volunteers working on the project in extremely hot weather so when you see one of them give them a big Thank You.

While working on the crossing several other concrete related projects were completed while the cement trucks were here. The walk at the clubhouse was poured to eliminate the pea gravel being tracked into the patio room and damaging the floor. A handicap ramp was poured at the Wilder Springs stage stop near the craft house. The pavilion ice maker drain was run under the patio eliminating the slip hazard from the wet concrete. Leftover concrete was used at the wilder Springs handicap fish-

ing ramp to fill in and improve its looks. Photos of the above projects can be found on our website at www.ranchriders.org.

Tom Riley of R&R Equipment CO of Fort Scott, KS donated a used Skid Steer. The Skid Steer is an asset of Cloud 9 Ranch but will be under the supervision of the RRC. The point man on the Ranch is Brian Stone. He will have the key to it and if he isn't on the ranch Skip Wyman will have the key. Anyone using the Skid Steer must be qualified and approved by the RRC.

At the Independence Day poker run Melvin Hollandsworth won the ATV luggage rack donated by Megamotorsports of West Plains. Melvin donated it back to the RRC to be raffled Labor Day. In addition we will be raffling a folding table and chairs from Camping World.

Activities will be sponsoring the Labor Day poker run so come join in on the fun. We will be there all day at our table so stop by and see us. Activities has food and drink items there and you don't have to be a poker run participant to purchase so stop by and have a bite to eat even if you are not participating.

Happy Trails and We'll See You At The Ranch!

Upcoming Events
